Advance Notice—Exceptional Closure & Half-Term

We are scheduled to have an exceptional closure for staff training on Friday 12th February. This training is essential in order to upskill staff for our new online learning platform. We hope that you will take the opportunity to look after your families' mental and physical health by doing something a little bit more fun! School will be closed for half-term from 15th February to 20th February (inclusively). There will be no remote learning or supervised learning. We all have earned a break! We will resume remote learning on 22nd February until at least 5th March.

Attendance

The Department of Education requires schools to mark attendance even when children are learning from home. The decision to mark a child present and learning at home is determined by their level of engagement. For us, this means answering these questions:

- Is your child's paper pack being collect and/or are they regularly on Fronter? Remember if you can't come to school we will arrange for someone to drop it off and collect your child's work to be mark.
- Is work being returned for marking either online or through our drop off system?
- Has your child engaged in any Zoom Sessions?
- Have you contributed to Facebook?
- Has there been any telephone/email contact?
- Is your child enrolled in face-to-face supervised learning?

There are a lot of options here and we don't expect everyone to do everything. Instead we are providing lots of choice so that you can choose what is best for your child and your family. Homebased learning is challenging and we have to work together. We just need a little bit of evidence that you and your child are doing your best to engage and do a little bit of work. Unfortunately, we are also being told that we still must make contact with the Education Welfare Service if a child is below 85%. We really need your help to ensure that their support is not necessary.

Zoom Meetings

We had between 30 to 70% of attendance at our Zoom Teaching Sessions. Well done everyone who attended! The teachers are trying to do more formal teaching sessions through zoom. Children should bring their whiteboard and pen to each session. If you haven't had a chance to join in, why not give it a go? Simply download Zoom on any device and enter the Meeting ID Number followed by the Passcode: School (capital "S"). You will then be admitted to the waiting room. If your child is a little nervous keep the camera off and let them listen and participate with you. You can see more of the class at one time choose "gallery view" (click in the upper right corner).

New P1 Parents

Primary School Registration for September 2021 is now closed. Over the coming weeks we will be validating the information. We look forward to welcoming our new pupils! Did you forget to register? Simply email lknocker496@c2kni.net and I will do my best to help!

Let's share the love in our Community!

Colour, paint, decorate or design your heart. Keep one for your window at home, share one with your neighbour and return one to school so we can display it in our window. We will provide heart shapes as part of your paper pack but you can get creative and make your own! Much like the rainbows....this is just another way to show we still care!

Key Workers and Vulnerable Pupils

The Department of Education has also directed schools to provide supervised learning for vulnerable children and the children of Key workers. In order to plan for this provision, it is essential that you book your child's attendance by completing this form. <http://bit.ly/SupervisedLearn>

It is important that any parent that considers sending their child to school seriously considers the risks. If you feel you want to discuss your personal circumstance please feel free to call or email lknocker496@c2kni.net.

Technical Information about Fronter

C2K has decided not to renew the contact with Fronter. As such we will be moving from Fronter to Teams (Office 365) at the end of March. We have noticed that there have been a range of technical issues with My School and Fronter. Both programs were not available this weekend. Hopefully these issues have been resolved and we will continue to our transition without any other interruptions in service.

Even though we hope to be back to Face-to-Face learning by the time Fronter is withdrawn, there will still be a need to provide online support when pupils are self-isolating. Teachers are currently preparing for this change and are working hard to make Teams a little more family friendly. In the weeks ahead your child will receive an email asking them to logon to Teams and start the next part of their learning journey!

Paper Packs & Homebased Learning

Packs have been prepared for every child. They can be collected on Fridays 2:00 to 3:30 and Mondays 8:00 to 10:30. You can drop off the work your child has completed to be marked. It would also be important that you return their reading books. A courtesy phone call will be made if you haven't collected your child's pack. This is to support you in case you need us to drop it off to you because your family is isolating or needs help.

We know that working from home can be difficult and we want to provide as much support as we can. Please email lknocker496@c2kni.net if you need anything. There will be someone at school every week day from 8:15 to 3:30 p.m. (at least). The phones are busy so please be patient and we will get back to you.

Remember that we can only do our best and together we will get through this challenging time!

Stay safe,

Mrs Knocker

Zoom Schedule— Week beginning 01/02/21

Zoom meetings allow pupils to connect with their teachers and classroom assistants. The conditions of these meeting will be dictated by circumstances. We are using zoom to connect with parents/pupils. There will be a theme to your zoom and your child’s teacher will take the time to answer questions about their learning. Children will need a whiteboard and pen at every class zoom. If your child is nervous about being on Zoom let them attend with their camera off.
