Tree Planting—23/11/2018

Mr Robinson and the Eco Club are working hard to make Ballyhenry Green! On Friday each class in school will participate in planting some of the 450 trees that have been donated to the school by the Woodland Trust. We are hoping that in a few years we will have a woodland area at the back of the school to use during our outdoor education lessons.

Children are asked to bring wellie boots to school on Friday. It is also important that they have a coat, hat and mitts if the weather is cold.

OPEN NIGHT—28/11/2018

We are delighted to report that the number of children who choose to attend Ballyhenry is growing! Every now and again it is good to show off our talents! Please join us for our Open Night and bring a friend! This evening is a chance for the children to show off their school to the people who are important to them and celebrate our success! Open Night will take place on Wednesday 28th November 6:30 to 8:00. The Senior Choir will sing at this event.

School will close at 2:00 p.m. to allow for preparation.
